info@elharmawy.com

WHO WE ARE

A consultancy built for small and growing companies

El Harmawy Business Consultancy F.Z.E is based in Ajman Free Zone and works with founders and business owners across the UAE. Owners should spend their time on customers and growth, not on paperwork and process. We take on company setup, banking and accounting follow-up, government transactions and day-to-day administration, so the business keeps moving.

2013
Hands-on in UAE business administration since

16
Service lines under one roof

4
Setup routes: Ajman, SHAMS, Meydan & Mainland

1
Point of contact, from first call to follow-up

Our mission

Take the paperwork, process and follow-up off the owner's desk, done correctly the first time.

Our promise

A written scope, timeline and quote before any work starts. No surprises.

Our approach

Practical, transparent and responsive, with updates at every step on WhatsApp.

Company details

Legal name	**El Harmawy Business Consultancy F.Z.E**
Legal form	**Free Zone Establishment – LLC**
Licence / Reg. No.	**58667**
Licensing authority	**Free Zones Authority of Ajman**
Office	**B.C. 1309081, C1 Building, Ajman Free Zone**

Who we work with

Entrepreneurs starting their first company, SMEs that need a reliable back office, e-commerce sellers on Amazon and Noon, contractors, traders and service companies that want their licences, books, banking and government paperwork handled in one place.

Start-ups · SMEs · E-commerce · Trading · Contracting · Services

We do not sell or guarantee visas; we help you apply. All services, transactions and approvals are carried out in accordance with the laws and regulations of the United Arab Emirates and are subject to the decision of the competent authority.

MEET THE FOUNDER

Experience you can rely on

Ahmed Saeed El Harmawy

Founder — El Harmawy Business Consultancy

Ahmed has worked hands-on in UAE business administration since 2013: setting up companies, coordinating government transactions, and handling the HR, administration and accounts follow-up that keep a business running.

Over the years he has built lasting relationships with business owners who rely on him to get things done correctly the first time. HBC brings that experience into one firm, with a clear scope, fair pricing and personal follow-up on every file.

- Company formation
- Government & PRO
- HR & administration
- Accounts follow-up
- Banking

> Owners should spend their time on customers and growth. We handle the rest, so the business keeps moving.

Your first step

Office & licence

Meet the founder

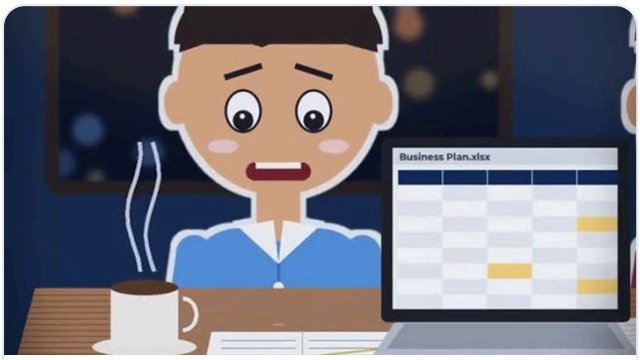

Brand film

All services, transactions and approvals are carried out in accordance with the laws and regulations of the United Arab Emirates and are subject to the decision of the competent authority.

WHAT WE DO

Four core services, one partner

01

Business Setup in the UAE

- Free zone and mainland company formation
- Trade name, initial approval and activities
- Licence issue, amendments and renewals
- Establishment card and investor visas

02

Corporate Bank Account Assistance

- Document preparation and company profile
- Application with a suitable bank
- Coordination and follow-up until decision
- Approval remains the bank's decision

03

Accounting & Tax Services

- Monthly bookkeeping and accounting records
- Profit & loss and management reports
- VAT and corporate tax records prepared for filing
- Sales invoices prepared every month

04

PRO & Government Services

- Licence renewals and amendments
- Visas, Emirates ID, labour and immigration
- Document attestation and notarisation
- Followed up until the transaction is done

Bank account approval is the bank's decision. All government transactions and approvals are subject to the laws and regulations of the United Arab Emirates and the decision of the competent authority.

All services, transactions and approvals are carried out in accordance with the laws and regulations of the United Arab Emirates and are subject to the decision of the competent authority.

MORE WAYS WE HELP

Everything your business needs, under one roof

Business Consultancy
Business plans, feasibility studies, pricing and growth strategy built on real numbers.

HR Consultancy
Organisation structure, job descriptions, HR policies, contracts and recruitment support.

Tax, Audit & Liquidation
With our accredited partner YBH Accounting: corporate tax registration and returns, deregistration, balance sheets, liquidation, insolvency and expert reports, part-time accountants.

Certified Legal Translation
Legal translation by court-certified translators, accepted by UAE courts and authorities. From AED 20 per page.

Typing & Government Transactions
Residency renewal, medical examination, health insurance, passport and Emirates ID transactions.

Trademarks & Commercial Agencies
Trademark registration and renewal, and commercial agency registration with the Ministry of Economy.

Industrial & Trade Services
Industrial licences, customs exemption, certificates of origin, port services and Chamber of Commerce certificates.

E-Commerce & Trading
Amazon and Noon store set-up and management, online stores, and sourcing from China with shipping to the UAE.

Procurement Consulting
Supplier search and comparison, quotation review and purchasing processes that protect your margins.

Approvals from Any Government Entity
Civil Defence, municipality, medical & professional licensing (DHA, DoH, MOHAP): submitted online and followed up until approval.

Subject to UAE laws and regulations and the decision of the competent authority.

Residency Application Help
We help prepare and submit investor, employee and family applications, renewals and cancellations, with government fees at cost.

Marketing & Public Relations
Marketing plans, online advertising, company profiles and the way your business presents itself.

16 service lines

One partner instead of five suppliers

Setup, banking, books, government transactions, translation and audit coordination are handled by one team that already knows your company, so nothing falls between the cracks.

All services, transactions and approvals are carried out in accordance with the laws and regulations of the United Arab Emirates and are subject to the decision of the competent authority.

COMPANY SETUP

From idea to licence in five steps

01
Choose the route
We compare free zones and mainland for your activity, budget and visas.

02
Initial approval
Trade name reserved and activities submitted for approval.

03
Trade licence
Application prepared, submitted and followed up until issued.

04
Government files
Establishment card, and help applying for residency where needed.

05
Bank account
Documents and profile prepared, application with a suitable bank.

All services, transactions and approvals are carried out in accordance with the laws and regulations of the United Arab Emirates and are subject to the decision of the competent authority.

HOW WE WORK

A clear process, every time

1 **Listen**
A first call to understand your business and what you need.

2 **Propose**
A written scope, timeline and quote before any work starts.

3 **Deliver**
We do the work and keep you updated at every step.

4 **Follow up**
We check the results with you and adjust what needs adjusting.

Why companies choose HBC

- **Hands-on since 2013**
  Real experience with UAE authorities, banks and free zones, not theory.
- **Written quote first**
  You know the scope and the fee before anything starts.
- **Transparent fees**
  Government fees at cost with receipts shared. Our service fee is separate and clear.
- **One team for everything**
  Setup, banking, books, PRO and translation handled together.
- **Fast, on WhatsApp**
  Quick answers and updates where you already are.
- **Followed until done**
  Every file is tracked until the licence, visa or transaction is complete.

Free **Initial consultation and written quote**
Tell us what you need on WhatsApp or by email and we will send an exact written quote for your case.

All services, transactions and approvals are carried out in accordance with the laws and regulations of the United Arab Emirates and are subject to the decision of the competent authority.
